- The McKellar Market is putting out a challenge to bring support to local food producers and increase awareness of how far our food travels to get to our plates.
- Starting July 1, 2011 through August 31, 2011, record the foods that you consume and list the approximate mileage that it took to get here at the end of the contest the smallest mileage receives the prize..
- List foods only once although you may consume them daily i.e. coffee, tea sugar, etc
- Any food bought at the McKellar Farm Market give yourself a 100 mile credit.
- Any food that you grow yourself or harvest wild, give yourself a 200 mile credit.
- A distance calculator link can be found on the Township website to calculate mileage.
- This is not a scientific research project be as approximate as you can.
- Tally Sheets must be received by the Township on September 10, 2011
- The Winner will be announced at the McKellar Farm Market Thanksgiving Weekend at 10AM.
- Prize Must be received before September 1, 2012.
- Prize will be a basket worth $100.00 of local produce sold at the McKellar Farm Producers Market.
