.....

Description of products and/or process.....

.....

Please provide a photo of your work. Included.....On file.....

Type of booth required,

Regular Vehicle @Hydro

Full season /...../.....

High season /...../.....

Custom Requirements

I have read and agree to abide by the market guidelines, available at www.township.mckellar.on.ca, under “Economic Development”.

Signature.....

Note: As the mandate of this market is **food** producers, there is only crafters space available at a percentage of food vendor numbers. Space is limited, but availability increases as food vendors increase. It is recommended that we have your application on file so that we can contact you as we have space come available. Craft applications are considered annually with priority going to “traditional” cottage crafts, ie. Woodworking, soap making, spinning, quilting, etc. Attendance one year does not guarantee attendance the next. All crafts are juried for quality and suitability.

Office Use:

Application accepted.....

Additional information needed.....

Special Considerations.....

Membership.....due.....paid.....

Fees.....due.....paid.....
